Bodegas Catena Zapata

Founded in 1902 Argentinas Bodegas Catena Zapata is known for its pioneering role in reasurrecting Malbec and in discovering extreme high altitude terroirs in the Andean foothills of Mendoza.

“Nicolas Catena Zapata is justly credited with putting Argentinean wines on the World map - by the best expedient of focusing entirely on quality”

Jancis Robinson

Catena Zapata Malbec Argentino Winery, Single Vineyard is made from a meticulous vine selection in the best lots of the Catena family's estate vineyards. These Zapata vines are carefully hand tended and produce extremely low yields. The grapes are micro-fermented in new French oak barriques and the wine is then aged for approx. 24 months in new French oak. This wine is made in very limited quantities.

Catena Malbec Zapata Argentino **2009** **€210.00**

Dense, rich, and voluptuous, this lengthy effort should easily achieve its 20th birthday in peak form. 97 points Parker.

Catena Malbec Zapata Argentino **2010** **€200.00**

Packed with generous flavours of ripe red fruit and spices, this is a vibrant, full-bodied, tense Malbec; the vineyard (1,600m, one of the highest in the Uco Valley) delivers intense freshness and crisp acidity in a wine to cellar. 96 point decanter.

Catena Malbec Zapata Argentino **2011** **€195.00**

the nose offers cassis, blueberries and violets, along with a strong suggestion of soil tones. It combines density and sweetness on the one hand, with gripping, lightly saline flavours of mocha, dark berries, spice, and minerals; a palate-staining finish dominated by sweet black and blue fruits.
