

# WINE AND BEVERAGE LIST

## OUR PHILOSOPHY

Inspired by our passion for food we created an equivalent wine list by carefully selecting some of the finest wines for you. Our wine list encapsulates a wide selection of wines from the Old and New-World and exclusive smaller boutique vineyards. We work closely with our suppliers and producers to offer carefully selected wines that not only deliver quality but also a sense of place and history.

Our Bartenders constantly look to develop new ideas and concepts with a strong focus on using the finest ingredients in our cocktails to offer the best quality and flavours. Enjoy a pre-dinner drink, a bottle of wine with your meal or a sumptuous dessert cocktail to end a great meal... our expert team are on-hand to advise and make your experience one to remember.
